Our designs are intuitive and intentional. Our philosophy is one of perpetual improvement, and we constantly seek to improve our product experience. Drawing on the knowledge and expertise of our global network, as well as over 100 years of experience in the sector, we develop innovative solutions that refine your bathroom while bringing comfort and simplicity to your daily routine.

Design is ingrained in everything we do. Our team of experts, often through collaborations with some of the world's leading designers, consistently create products and collections that drive innovation in the sector. These teams, along with our cutting-edge facilities, manufacturing prowess and exceptional production capacity, have allowed us to maintain our position of global leadership for more than a century. Even while achieving a presence in over 170 markets across the world, we have remained close to our roots. From the beginning, we have been active participants in Barcelona's design culture, where forward-thinking ideas and vernacular styles go hand-in-hand to create natural, intuitive solutions that enhance daily living. We will continue both to draw from and contribute to this community.

We recognise that our position of global leadership comes with responsibility. We seek to set the standard in sustainability at every step of the manufacturing process: from the acquisition of materials, through to production, logistics, packing and shipping. We design our products with sustainability and efficiency in mind, from toilets that minimise water consumption to furniture made with wood sourced from responsibly-managed forests.

乐家的产品设计直观且富有创意，追求不断改进的设计理念和不断优化产品体验。凭借全球化的专业知识以及一百多年的卫浴产品制造经验，我们开发了创新型的卫浴解决方案，致力于改善用户的卫浴体验，提供更舒适与洁净的日常生活。

设计根植于我们的产品之中。专业的设计团队合作世界顶尖设计师，不断创造出推动行业创新的产品。先进的产品设计、强大的制造能力和卓越的生产能力，使我们能够在一个多世纪内保持全球领先的地位。乐家业务遍及全球170多个市场，始终坚守我们的根基。创办至今，我们积极融入巴塞罗那的设计文化，领先创意和本土风格携手并进，以创造自然、简洁的解决方案，以改善日常生活为目的。我们会继续从巴塞罗那的设计文化中汲取力量，并作出贡献。

我们已认识到，应承担与全球领导地位相应的社会责任。力求在产品制造的每一步制定可持续性的发展标准：从原材料采购到生产、物流、包装和运输。从设计产品之初，便考虑到可持续性和能源消耗，从降低座厕用水量到减少家具的木材消耗。

We also carry out projects that help address some of the most pressing global challenges of our time. To this end, our foundation We Are Water works to promote a culture of sustainable, responsible water management, and to provide safe, reliable access to clean water in some of the most disadvantaged communities across the globe.

Our commitment to the planet extends into the social field. We are serious about our responsibility towards our employees and the communities we serve. Our aim of improving people's lives both within and outside the company has led us to promote initiatives that foster talent and improve the customer experience. We organise design competitions, such as the jumpthegap® and the One Day Design Challenge, which provide opportunities for emerging designers to showcase their creativity and expand their professional networks. And through our six international Roca Galleries, and web platform rocagallery.com, we host events, talks and articles which foster dialogue around some of the planet's most important issues.

We celebrate the small, daily moments of domestic happiness. The bathroom is an intimate space of self-care which can enhance users' daily lives. At the heart of our business is the desire to develop attractive and functional solutions that contribute to improved wellbeing and better standards of living.

我们开展了一系列活动，以帮助应对这个时代最紧迫的全球性挑战。为此，We Are Water基金会致力于推广可持续、可靠的水资源管理，并为全球弱势群体提供安全、可靠的水资源。

我们对地球的承诺扩展到整个社会领域。我们重视员工和社会责任。我们以改善公司内外员工的生活为宗旨，使我们具备推动培养人才和改善用户体验的能力。我们组织设计竞赛，jumpthegap®与“一日设计挑战赛”，可为新兴设计师提供展示创意和拓展专业网络的机会。全球六家乐家艺术廊和网络平台rocagallery.com，通过主办活动、讲座与发布文章以促进和地球相关的关键性话题的交流。

我们珍惜家庭幸福的日常时刻。浴室是一个私密的自我洗护空间，提升日常生活体验。我们致力于开发有吸引力和实用性的卫浴解决方案，以增进个人卫生并提高生活水平。
